The Berks Bucks and Oxon Area of NAFAS comprises 43 flower clubs offering demonstrations, workshops and other events related to flower arranging.

To celebrate its diamond anniversary the area presents 'Diamond Dazzler' - an interclub competition with a variety of design styles and sizes, where each class will depict a song title about diamonds:

Diamonds on the Soles of her Shoes Diamonds are Forever Diamonds in the Mine Lucy in the Sky with Diamonds Diamonds are a Girl's Best Friend

There will also be demonstrations and opportunities to have a go at flower arranging.

Tickets for the flower show may be booked in advance via the Blenheim Palace website at <u>blenheimpalace.com</u>

The design overleaf was prepared by Jayne King as her exhibit in the Diamond Dazzler class at the NAFAS Diamond Floral Art and Design Show in 2019.
