

NAFAS NATIONAL SHOW May 12th—14th 2023

ECT has started to plan for your visit to Gloucester for the NAFAS National Show, which will be held at the magnificent Cathedral .

NAFAS National Shows offer you the chance to catch up with friends while enjoying inspiring floral displays, and an extensive program of demonstrations, talks, competitions. ECT will be posting updates on the tour options offered and on the show's programme. ECT are currently selecting hotel options, ensuring the rooms and setting are of an excellent standard, and locations convenient to the event.

ECT will be offering an array of flexible options for groups and individuals who may wish to travel independently.

For Area flower clubs that may wish to travel altogether by coach, ECT can take care of all the arrangements, include local pick-up points so no one misses out, and add custom options to include visits en-route.

If you wish to receive updates and hear news on our travel and accommodation plans for the National Show the easiest way is to sign up – here is link to the page with the sign up form:
