ECT has selected three 4* hotels providing super accommodation and facilities in the local area. In Cheltenham the Doubletree by Hilton and the Queen's Hotel, and the third is the Hilton Puckrup Hall, near Tewkesbury. Details of each are on ECT's website.

For Area flower clubs that may wish to travel altogether by coach, ECT can take care of all the arrangements, include local pick-up points so no one misses out, and add custom options to include visits en-route.
