

Caversham and Chiltern Flower Club: Wed 12th July 2023 at 7.30pm

Practical – Inside the Frame

Caversham Heights Methodist Church, Highmoor Road, Caversham, Reading, [RG4 7BG](https://www.google.com/maps/place/Caversham+Heights+Methodist+Church/@51.4711111,-1.2555556,15z)

The Flower Arranger magazine has a range of fabulous Step-by-Step designs. This practical session is based on a design from the Summer 2022 edition. These photos show designs full of flowers but you can easily make a stunning design with few flowers.

Mechanics

- * 2 x 25cm bamboo rings
- * 1 x 20cm wire wreath ring
- * Long stub wires – either 4 thick wires or 8 thinner wires

If you would like me to provide this set of mechanics (£3.50 for the set) please let me know **by Wed 5th July**
Shirley Sexton - shirley.sexton@btinternet.com or phone/text 07766 316 966

Plant material

- 1-2 bunches of mixed round flowers, eg roses, peonies, alliums etc or you could use garden flowers
- A few bits of small leaved or trailing foliage

Other items to bring

- Some florist tape and gutta percha
- Optional - some decorative twine or wire to cover the wires which join the 2 rings
- Scissors
- Some wire cutters and a pair of pliers may be useful but these could be shared
- Optional – a tall container to support and display your design
- Black bin liner to cover table and take home your rubbish

If you have any queries feel free to contact Shirley (shirley.sexton@btinternet.com) or Erica (erica@brambles-sonning-common.co.uk). Friends welcome – but please let us know if they need to buy the set of mechanics.
